GIRL STUDENT FORUM - 2019-20

Vidyarthini Manch in the college was established to sensitize all members of the Institute towards prevention of gender discriminations and sexual harassment at the work place and encourage involvement through academic, cultural and outreach activities. This forum also tries to provide solutions for deliberation on women's rights and gender related issues. This forum review safety and security measures for female employees and girl students at college Campus. The main function of this Manch is to address any issues and take necessary actions when required. One of the subcommittees is the "Student Forum." This committee works to implement many activities for the students. In the academic year 2019-20, the inauguration of the Student Forum by the students in the college was held on 9th March 2020 on the occasion of Women's Day. On the occasion of this programme, the principal of the college, Dr. D. N. Kare addressed the students as a chairman of the committee. Dr. Shraddha Bhosale (Pimpalgaon Baswant) was the chief guest for this event. Speaking on "Women's Health", she said that women's health is also a matter of concern today. health problems. She elaborated that this has happened due to changed lifestyle. She said that most of health issues are because of poor diet. A healthy diet helps students to grow and develop properly and reduces their risk of chronic diseases, including obesity. Women's health is endangered due to lack of nutrients in the food we eat. For this, women need to take care of their health. She gave slogan "Eat Healthy, Stay Healthy" on the occasion of International Women's Day and Student Forum.
