**Bakery and confectionery successes Story**  
**Beneficiaries code No. MHNSK1901897**

Women today are readily taking risk only to emerge as successful entrepreneurs. Their success stories are an inspiration to many, their initiatives have made notable developments in rural development by bringing in employment, skill training facilities to small villages.

Mrs Priya Ramesh Bhaskar, the member of migrant family, lives in small village named Khedgaon, dist. Nasik. Her father is in the business of Scrap. She is married and husband lives in Banaras, UP. She is living with her parents with her one-year old baby boy. There is no exposure platform and training facility for women in the village due to social stigma. So Jan Shikshan Sansthan, Nasik decided to give training to such women and dropout young girls so that they can do their business for their livelihood. There was no cake shop in the village. So as per the demand of beneficiaries organised skill training of bakery and confectionery for rural women. After training Priya started her own business of decorative cakes. After one month due to COVID-19, lockdown declared. But in this pandemic also Priya continued her orders of cakes. Earlier the villagers used to purchase the cakes from Nasik city on the events. But due to lockdown they couldn't go outside the village. Priya grab this opportunity and served the quality products i.e. the decorative beautiful cake as per order. People like her cake made in hygienic condition at her home. She didn't have oven to make the cake but she continued making cake on her Gas Stove. After enough orders she got good amount and she purchased all tools including oven to make the cakes. In the lockdown Priya sold 200 cakes and earned Rs50,000/- and the orders are still continuing daily. She named her business as "Ayush Sweet Bytes". Now she is confident that she can start her own shop after unlocking and things come to normal situation. It is because of her that women in rural drought prone areas are empowered through learning entrepreneurial skills. She is now giving economic support to her family through her own small business. All family members are happy and villagers are appreciating her efforts. She very politely giving thanks to Jan Shikshan Sansthan, Nasik through which she got the skill training in her village.
