Environmental Study-Project Work Report
Academic Year 2020-21

We are presenting a report on Environmental Awareness of both SYBA & SYBCom under the Environment Awareness activity at Khedgaon College. In our college, in the academic year 2020-21, students in the SYBA & SYBCom classes have presented & Submitted a project work on 'Environmental Studies'. A total of 94 students (SYBA-51 & SYBCom 43) have submitted projects on the subject of environmental awareness.

Under this project work, all students have studied the environment by presenting projects on various topics such as solid waste management, study of eco-systems in natural environment, study of sources of pollution in each village, study of organic fertilizer and management, air pollution, etc. The students recorded a lot of information while studying this environmental awareness topic in the presence of real nature. Take care of the essentials for the protection and expansion of the environment.

In short, with the help of the topic of Environmental Awareness, all the students worked to create awareness among themselves as well as others by studying the natural aspects in the students. Principal of the College, Dr. D. N. Kare, Teacher of Environmental Awareness subject Mrs. M. S. Jadhav, and Mr. P. U. Landage guided the students for the project work. The students completed the project-work by completing all the required demonstrations as per the university rules. In this, all the Teachers & Non-teaching staff of the college, students, villagers and relatives got their support.
